

Ciutadella de Menorca, June 7th of 2022

Dear membership,

We contact you in order to inform about **the next announcement of evaluation of reproducers, with 3 or more years old, in your country.** In order to organize the travel planning, we need to know the number of animals interested in being evaluated. To request the evaluation of your reproducer, you have to know:

1. Place for the request: **Breeders Association** (by postal mail or email).
2. Previous payment: to **reserve the evaluation**, you have to make a previous payment of **170€ if you are membership of our Association or 190€ if you are not membership**, in the bank account: IBAN: ES37 2100 0686 34 0200205992 / SWIFT: CAIXESBBXXX. This payment is not refundable, if the animal is not evaluated in this convocatory.
3. Deadline for the request and previous payment: **July/15.**
4. Approximate date: **beginning of September** (the date will be concreted depending on the number of requests and the availability of the Commission of Evaluation).
5. **Documentation:**
 - Request for the evaluation (fill in the data of your stud at the beginning, select the option “valoración de reproductor” and indicate the information of your animal/s in section D). You can find it in the website: www.caballomenorquin.com or asking us for a copy.
 - Copy of the previous payment.
 - Copy of the passport (pages with the information about complete pedigree, microchip, UELN and graphical identification).
 - Description of the place where the animal is located, using the following table for the location of the stud. We will try to concentrate the animals in different places for each country in order to facilitate the work of the Commission of Evaluation.
6. As soon as we know the number of requests in your area, we will contact you by email in order to inform about:
 - How to finalize the payment of the request and bank account
 - Final place, date and hour for the evaluationThe final price of the evaluation of your animal can vary by the number of animals to be evaluated and their location in the country.
7. Because of sanitary reasons:
 - We need to concentrate animals in the least number of studs to avoid unnecessary displacements, minimizing risk for you and the Commission.
 - The Association reserves the right to modify the dates proposed for the evaluation according to the sanitary conditions in the moment of the evaluation.
8. Please, remember that you only can evaluate animals correctly registered in your stud.
9. In the day of evaluation, it is necessary a correct presentation of the animal to the Commission of Evaluation. You have to give the passport of the animal to the Commission of Evaluation before the evaluation. Then we will return it to you with the stamp of the result of the evaluation.
10. In order to facilitate the location of the stud where the animals are, please, fill in the following section:
